

Mike Huckabee – a “True” Conservative?

- See the recent alarming article on Huckabee by the **former executive director of Florida Moral Majority**, at http://www.chuckbaldwinlive.com/c2007/cbarchive_20071127.html
- Huckabee says, “Every child regardless of their immigration status should have an opportunity to receive an education in the U.S.” With the dominant culture in Arkansas being Christian, Huckabee also says, “Arkansas needs to make the transition from a traditional Southern state to one that recognizes and cherishes diversity in culture...” Is something wrong with our Southern Christian culture? - Wayne Dumond, a prisoner in jail for the brutal sexual assault of a 14 year-old Arkansas cheer-leader, is granted clemency by Huckabee’s arm-twisting the state parole board. To verify call parole board members Debra Suttler (501-590-6691), Dr. Charles Chastain (501-663-4408) or Ermer Pondexter (903-244-9353). When freed, Dumond murders Carol Schields (chosen at random) in Clay County, Missouri. See **Arkansas Leader** article below and the **Arkansas Times**’ prize winning report below of Huckabee’s role in freeing the rapist turned murderer. Dumond’s eight day Missouri trial and conviction of this brutal first degree murder, was **highly publicized back in Arkansas**. Yet Huckabee’s 2007 campaign book **From Hope to Higher Ground** (p. 94) went so far as to say that Dumond had no trial in Missouri. To confirm Dumond’s murder trial call Clay County, MO senior prosecutor Daniel White at 816-736-8302. Does Huckabee’s desire to cover up his role in Carol Schield’s death include lying about the trial of her killer? http://www.arkansasleader.com/frontstories/st_09_01_04/huckabee11.html

- The record of Huckabee’s clemency rate exceeds former Gov. Clinton, several other Arkansas gubernatorial predecessors, and governors of neighboring states.

- Phyllis Schlafly, president of the national Eagle Forum, is even more blunt. “**He destroyed the conservative movement in Arkansas**, and left the Republican Party a shambles,” she says. “Yet some of the same evangelicals who sold us on George W. Bush as a ‘compassionate conservative’ are now trying to sell us on Mike Huckabee.”

- Huckabee is the only Republican presidential candidate to accept invitation to speak to radical NEA, where he **effectively calls for taxpayers to reimburse teachers for their college education** and boasts of passing an exorbitant retirement package.

- Huckabee says, “We’ve actually had a very cordial, a very decent relationship....I’ve had, frankly, a very positive relationship with Bill Clinton.” Two boys from Hope, AR....oh, how sweet!
