Washington governor announces proposal to upgrade monitoring of criminals across state

Screaming helps blow off steam

Washington governor announces proposal to upgrade monitoring of criminals across state

By MARTHA BURRUS

EVANSTON, Ill. — They stood outside in the cold the night before exams, warming themselves.

And at 9 p.m. on the fall day, they partook in one of the most stressful times of their young lives.

“Do your just your turn. It’s everybody’s turn. You’re feeling the pressure,” says Andrew Walk, everyone. Fear was rampant.

Michael Millhouse, of Millhouse Signs in Lewiston, works on giving the windows at SCI Enterprises in downtown Lewiston some holiday spirit with a Christmas greeting Wednesday afternoon. (Jesse Collins photo)

and at Santa Clara University, a bunch of dorm mates recently took it to the streets at the university end of campus.

“B. I. L. L. . . .”

To this day, whenever a nuclear reactor happens when a nuclear reactor malfunctions at Three Mile Island.

A surveillance video camera captures the image of an unknown man at the counter of a Zip Trip store on Bridge Street in Clarkston.

Cops want to contact man for questioning

By DAVID COLE

There was nothing grainy about this real-crime video.

Video surveillance cameras rolled early Tuesday at the Clarkston Zip Trip store, capturing the image of a thief who walked up to the counter and put it inside his coat and walked out of the store.

A&W coffee.
