

A topographic map of the Washington D.C. region. The map shows the states of Pennsylvania, Maryland, Delaware, and Virginia. The Chesapeake Bay is a prominent feature, shown in a light blue color. A black callout box with a white border points to the location of Washington D.C. on the border between Maryland and Virginia. The terrain is depicted with green and brown colors, indicating elevation. The map also shows major rivers and the coastline of the Chesapeake Bay.
