RECYCLE FOR VICTORY...

by recycling your used cell phone(s) to support children.

NEXTEL only from Sprint

Sprint Nextel teams up with Victory Junction Gang to benefit children with chronic medical conditions or serious illnesses.

- Place used phone and/or accessories into the envelope.
  (If battery is not attached to phone, place tape over terminal ends)
- Seal the envelope.
- Place envelope in mailbox.

Sprint Nextel can help you to recycle used wireless phones, batteries and/or accessories, from any carrier and in any condition. Donated phones are recycled, with net proceeds going to Victory Junction Gang to benefit children with chronic medical conditions or serious illnesses. Together we can help kids in need and reduce the number of used phones that might otherwise end up in municipal landfills. For more information, visit www.nextel.com/speed.
