

Conducted by the University of New Hampshire Survey Center

Interviews with 1,060 likely New Hampshire primary voters in New Hampshire conducted by telephone on December 27 - 30, 2007. The margin of sampling error for results based on the total sample is plus or minus 3 percentage points.

A total of 439 who say they plan to vote in the Republican presidential primary and 521 who say they plan to vote in the Democratic presidential primary were interviewed. The margin of sampling error is plus or minus 5 percentage points for both groups.

1. As you know, the New Hampshire presidential primary election is being held next January. How interested would you say you are in the primary election -- extremely interested, very interested, somewhat interested, or not very interested?
